## I

The undersigned researcher making use of archival materials from the Netherlands State Institute for War Documentation (RIOD) held by the United States Holocaust Memorial Museum (USHMM) Archives understands and agrees that he or she and his/her publisher bear the sole responsibility for any legal consequences (defamation and/or libel law suits, etc.) that may arise from the publication on any form of a work or works by the researcher based on the study of such RIOD materials.

## II

The undersigned researcher also agrees to submit to the director of RIOD, at the address given below, any passages in his/her work which cites the names of any persons appearing in the RIOD materials in the holdings of the USHMM Archives **prior to publication**, so that RIOD can be assured that the work is in compliance with the Netherlands protection of individual privacy laws. The undersigned accept in that respect instructions of RIOD for alterations, if so necessary to comply with Dutch law. RIOD will respond to this submission as quickly as possible.
